- Experience in Pre/Post Production Support and Performance tuning. Responsible for High priority critical technical problems.
- Experience in Webdynpro programming for HR ESS/MSS.

My Projects :

- ✓ **MCI Project (April 2016 till now)** : MCI is largest mobile communication operator in middle east and it's SAP project started in 2015 and I joined to this project after go live(first phase including **FI** and **MM** modules). I developed for **FI**, **MM** ,**SD** and **HR** modules and also one of **FIORI** developers in **FIORI** project. My developments in **FIORI** consist of some custom applications for pay slip, Action form, substitution, Clock-in/Clock-out, Time sheet in **FIORI** and also, I developed some **PI projects** for dealing with customer and dealer systems.
- ✓ **Bonex-IT (April 2018 till now)** : Bonex-IT is **SAP HR** consulting company and I'm Collaborating with this consulting company, from 2018 until now, as remote ABAP consultant. I developed some programs in HR module for Duisburg municipality, Henkel company, Ciric and TUI groups
- ✓ **Zarrin Company (January 2020 till now)**: Zarrin is one of the largest production and distribution companies in cellulose market IRAN and I have been implementing in **PP,MM,FI** and **SD** modules in this project. I did a **FIORI** project in this company for purchase requisition approval process.
- ✓ **SAP ABAP Team Lead at Samehara (Sep 2011 - April 2016)** : Samehara is SAP consulting company and I was ABAP Team lead in 5 projects that implemented by Samehara. These projects are:
- ✓ **Golestan Project (Nov 2012 – April 2014)** Golestan is one of the largest production and distribution companies in IRAN and it's SAP implementation project started in 2012 and finished in 2013 (about 1 year and 6 months). In that project I was ABAP team lead and responsible for developing in **FI**, **PP** and **MM** modules. I collaborated with a developer from Turkey (he was responsible for SD developments) for some developments in **SD** and **MM** modules.
- ✓ **Petro Pars Project (Aug 2012 – April 2015)** : Petropars is one of the largest oil and gas companies in middle east. This project contained three company codes, POSCO, PPI and PPL and I was main developer in that project. I dispatched development projects between other developers (3 developers) and check the standards and quality of developments. This project started in 2012 and it's support phase continue for three years. I did main developments in **DMS**, **PS** (core modules), **MM**, **FI** and **HR** modules. Also, I taught **ABAP courses** to developers in that company (about 20 sessions -TAW10 & TAW12).
- ✓ **Crouse Project (Aug 2011-April 2016)** Crouse is largest car manufacturing company in Iran and it's SAP project started in 2011. I developed lot of reports and developments in **DMS**, **MM**, **FI**, **CO,PP** and **SD** modules. I developed some PI projects for connecting SAP with other systems in this company.
- ✓ **Butane Project (Dec 2013- March 2016)** Butan is manufacturing company that products water heater and radiant in Iran. SAP project in this company, contained two company codes: Butane and Elika. it was started in 2014 and I was responsible for developments of **PP**, **SD**, **MM**, **HR** and **FI** modules.
- ✓ **Mammut Project (Sep 2016 – Sep 2018)** I developed some reports in **PP** , **MM** and **SD** modules in support phase.

- ✓ **APADANA Ceram (Sep 2012 – Jan 2013)** I taught ABAP (TAW10) in this company in 2012
- ✓ **Entekhab Group (Dec 2018 – Jun 2019)** I developed some reports in **FI,QM** Modules in S4/HANA system.

Skills:

- ✓ Programing for modules (FI , MM , SD , PS , DMS , PM , PP, HR) with OO approach like reports and interactive programs
- ✓ Layout And Print Out Forms as well as smartforms, sapscrip, adobe forms, crystal report
- ✓ Module Pool
- ✓ All types of exits and Enhancements(User Exits ,Customer Exits , Screen Exits , BADI, Implicit)
- ✓ Web Dynpro
- ✓ SAP Workflow
- ✓ Graphical List Display (ALV) , List Display (OO and structural)
- ✓ Working With BAPI
- ✓ LSMW
- ✓ Tuning ABAP Codes to become faster
- ✓ OLE Object programing
- ✓ SAP PI development and design
- ✓ Teaching ABAP Standard Courses (TAW10 , TAW12)
- ✓ Developing Sap Fiori Application

Functional Knowledge

I have functional knowledge in SD and HR modules .I can work with SD and HR transactions and I have some knowledge in SD and HR customizing.
